

LEADERSHIP STUDIES (BA)

Objectives

Upon the successful completion of the prescribed course of study, the graduates of the Department of Leadership Studies will be able to:

1. Articulate an understanding of the dynamics of biblical leadership personifying a life of integrity and making a difference globally.
2. Demonstrate an understanding of leadership theory and ethical, reflective decision making to manage and lead a ministry or nonprofit organization with integrity.
3. Demonstrate broad leadership skills that are transferable in any organization and the market place.
4. Illustrate a global perspective on leadership which values diversity and embraces new trends in leadership locally and outside the borders.
5. Articulate and demonstrate knowledge of innovative 21st Century ministry models and the benefits of strategic planning.
6. Effectively communicate orally and in writing, presenting and defending various positions and thoughts on subject matter.
7. Understand varied schools of thought concerning gender differences in leadership, which includes a theological and psychological perspective as well as societal norms.
